## Govt. Degree College Mattan

### REPORT

Today on 05-06-2024, NSS Wing and Debates and Seminar Committee GDC Mattan in collaboration with Department of Environmental Sciences, under the leadership of worthy Principal Prof. Syed Javed Hussain, celebrated World Environment Day with great enthusiasm and dedication. The event aimed to raise awareness about environmental issues and encourage sustainable practices among students and faculty members.

The celebration commenced with an insightful address by Prof. Suheel Ahmad, who set the tone for the event by highlighting the importance of World Environment Day. He emphasized the need for collective action to combat environmental degradation and urged everyone to adopt eco-friendly practices in their daily lives.

Following the inaugural address, Prof. Salam Sab, the Head of the Education Department, delivered an engaging lecture on environmental education. He stressed the importance of integrating environmental awareness into the educational curriculum and encouraged students to become proactive in addressing environmental issues.

Dr. Asadullah, the Head of the Environmental Science Department, conducted an awareness session focusing on various environmental challenges. He discussed the critical issues of climate change, pollution, and biodiversity loss, providing practical solutions and actions that individuals and communities can take to mitigate these problems.

Dr. Aadil Ahmad raised awareness about the interconnections between consumerism, hunger, and Islamic teachings in his deliberation. He highlighted how excessive consumerism contributes to environmental degradation and exacerbates hunger issues. He also shared insights on how Islamic principles advocate for moderation, sustainability, and social justice.

Several students from GDC Mattan took the stage to deliver lectures on various environmental topics. Their presentations reflected deep concern and understanding of environmental issues, showcasing their commitment to promoting a sustainable future. The students discussed topics ranging from waste management and renewable energy to conservation efforts and community involvement.

The event concluded with a vote of thanks presented by Dr. Ajaz Ahmad. He expressed gratitude to all the speakers, students, and attendees for their active participation and contributions. Dr. Ajaz acknowledged the efforts of the organizing committee and emphasized the importance of continuing such initiatives to foster environmental stewardship.

The World Environment Day celebration at GDC Mattan was a resounding success, marked by informative sessions and passionate discussions. The event served as a platform to educate and inspire the college community about the importance of environmental conservation. By fostering a sense of responsibility and encouraging sustainable practices, GDC Mattan continues to contribute positively to the global environmental movement.
